For some reason, the costs in questions were not showing up in the SCORPIOS report. I have been discussing these charges with Robert, based on the info reflected on the attached SCORPIOS report, to see what's going on. The travel costs does not reflect any traveler information associated with it so we are looking into this. Also the grants costs is not showing up either. Will keep you posted on what we find out.

Doretha,
Updated SCORPIOS report with travel cost. No Grants cost in SCORPIOS for you time frame.
Looks like you have to wait till SCORPIOS updates next month.

Thanks. CBORT is showing \$480.90 for site travel and \$9,000 for grants charges that are not reflected on this report. Can you review this and see what's going on?
